

UNUSUAL - BRÉSIL

HOUSE IN FORTALEZA - BRAZIL

PRESENTATION

With the opening of the Air France-KLM line to Fortaleza and its miles of deserted beaches and buggy rides, the north east of Brazil is the place to go. Only 9 hours from Europe, compared to 11 hours for Rio or 12 for Sao Paulo, Fortaleza is the closest Brazilian city to the “old continent”. From north to south, Fortaleza is lined with wide sandy beaches. It is an ideal spot for kite surfers wanting to explore the north east coast. Through the winter months, from June to January, gentle trade winds can be perpetually felt at Fortaleza. Over the remaining months, the waves are more intense and the surf is great...especially, at sunrise, just in front of the house. La Casa da Falésia, on the road to Poce Doce to the west of Paracura, overlooks the Praia da Barra do Rio Curu. The house is less than a mile from Paracuru's shops, local markets, chemists and restaurants. A chauffeured car will take you to the four bedroomed timber framed house, open onto the garden and the view. Please contact us for more information.
