

## BORDEAUX - JARDIN PUBLIC STONE HOUSE

---

### PRESENTATION

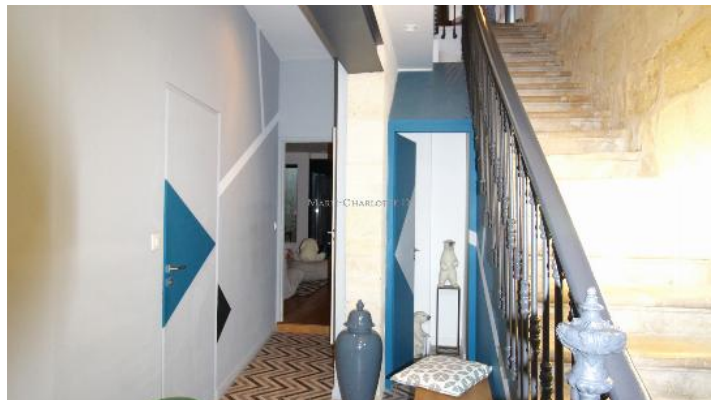

---

Situated in a calm road just by the Jardin Public, this stunning stone house, entirely renovated by a architect, is bathed in light thanks to its dual exposure and its wide sliding doors. It benefits from an entrance hall that leads into a study and a master suite. Upstairs, the well-equipped kitchen and the vast open-space living area, with its fireplace, surround the unlooked upon terrace. The upper floor is home to two further bedrooms and a bathroom. A garage completes this offer in a highly sought after area.
